

CanDry

CA Dry: quiet and easy to handle professional vacuum cleaners

The CA Dry range consists of professional vacuum cleaners produced in three versions: CA 15 BASIC, CA 15 EXTRA and CA 15 SILENZIO.

They are vacuum cleaners in which attention is paid to the smallest detail to ensure excellent cleaning results while remaining extremely easy to handle. With a compact design, the CA 15 are very handy and easily transportable. The CA Dry range is also characterized by being composed of vacuums suitable for working in environments where the noise level, air quality and practicality of use are essential prerogatives.

These professional vacuum cleaners are the ideal choice for cleaning companies and for environments in the healthcare sector, public sector, Ho.Re.Ca., Retail, Wellness & Sports and Crafts.

THE ADVANTAGES OF CA DRY

- The output air is filtered to trap any residue produced by the brushes of the motor.
- The intake air on CA 15 BASIC is filtered by a double layer paper bag and foam filter. Optional cartridge filter.
- The intake air on CA 15 EXTRA and CA 15 SILENZIO is filtered by a microfiber bag and a cartridge filter.
- CA 15 BASIC is the ideal vacuum cleaner for performing cleaning operations that require practicality and quiet operation. Heavy-duty and equipped with a powerful engine, it allows continuous cleaning operations without interruptions.
- CA 15 EXTRA and CA 15 SILENZIO are more complete vacuum cleaners, with tube-holder handle, accessory holder, non-marking wheels and bag full light.
- CA 15 SILENZIO is a powerful vacuum cleaner when the situation calls for it, but efficiently delicate when discretion is required. A series of technical devices allow the operator to control the motor power and the system of filtration in series returns purified air to the environment.
- CA 15 EXTRA and CA 15 SILENZIO are equipped with an accessory holder panel, removable cable and full bag warning light.
- Optional HEPA filters available both for intake and output.
- Wide range of accessories available, making the CA DRY vacuum cleaner range extremely customizable
